WHERE GOOD IDEAS TURN INTO GREAT WORK

At Grey and White, we are more than just a team of skilled craftsmen - we are passionate and dedicated experts in the art of creating beautiful, custom-made cabinetry solutions that will elevate your home to the next level.

We believe that **doors are more than just entryways—they are statements of elegance, security, and craftsmanship.** Our mission is to transform spaces with custom-made, luxury doors that blend superior artistry with cutting-edge innovation.

Every Grey and White door is crafted with precision and passion, combining the finest materials—from premium wood and bronze to modern, high-performance finishes.

Designed for both high-end residences and corporate spaces, our doors offer a seamless

balance of timeless aesthetics, durability, and functionality.

What sets us apart is our ability to create bespoke designs at any scale, ensuring that every door reflects the unique style and sophistication of its environment. Whether it's a handcrafted masterpiece or a large-scale custom order, quality remains uncompromised. With features such as noise reduction, smart locks, and fireproofing, our doors offer more than just beauty—they provide security, innovation, and peace of mind.

At Grey and White, luxury isn't just a look—it's an experience.

OUR PROCESS

At Grey and White, every door is crafted with precision, excellence, and unmatched craftsmanship. Our process ensures that each piece is not just a door, but a statement of luxury and durability.

Design & Consultation

Our process starts with an in-depth consultation, where we will sit down with you to discuss your vision for your new project. We listen carefully to your requirements and preferences and provide expert advice and suggestions. We will work with you to create a design that incorporates all of your desires and needs while also staying within budget.

Our team of experienced designers will work closely with you to create a design that is both beautiful and functional, reflecting your unique style and needs.

We use advanced software to create detailed 3D renderings of the design, so you can visualize your new kitchen before it's built. We work with you to make any necessary adjustments until you are completely satisfied with the design.

Material Selection & Craftsmanship

We use premium materials, from solid wood to bronze and high-grade glass. A combination of cutting-edge technology and expert hand-finishing creates timeless designs.

Manufacturing

Once the design is approved, we use our advanced manufacturing techniques and the finest materials to bring the design to life.

Our skilled craftsmen pay close attention to detail, ensuring that every piece of furniture is built to the highest standards.

We are committed to using sustainable materials and practices wherever possible so that our work not only looks great but also has a positive impact on the environment.

Quality Control & Testing

Every door undergoes rigorous checks for durability, structural integrity, and smooth operation.

Special features like noise reduction, smart locks, and fireproofing are tested for optimal performance.

Warranty & Customer Assurance

We stand behind our work and provide a warranty on all of our products and services.

Our doors come with a quality guarantee, reflecting our commitment to excellence.

We take pride in our work and strive to exceed our client's expectations every time.

Contact us today to schedule a consultation and let us help you transform your home. At Grey and White, we don't just build doors—we create lasting impressions.

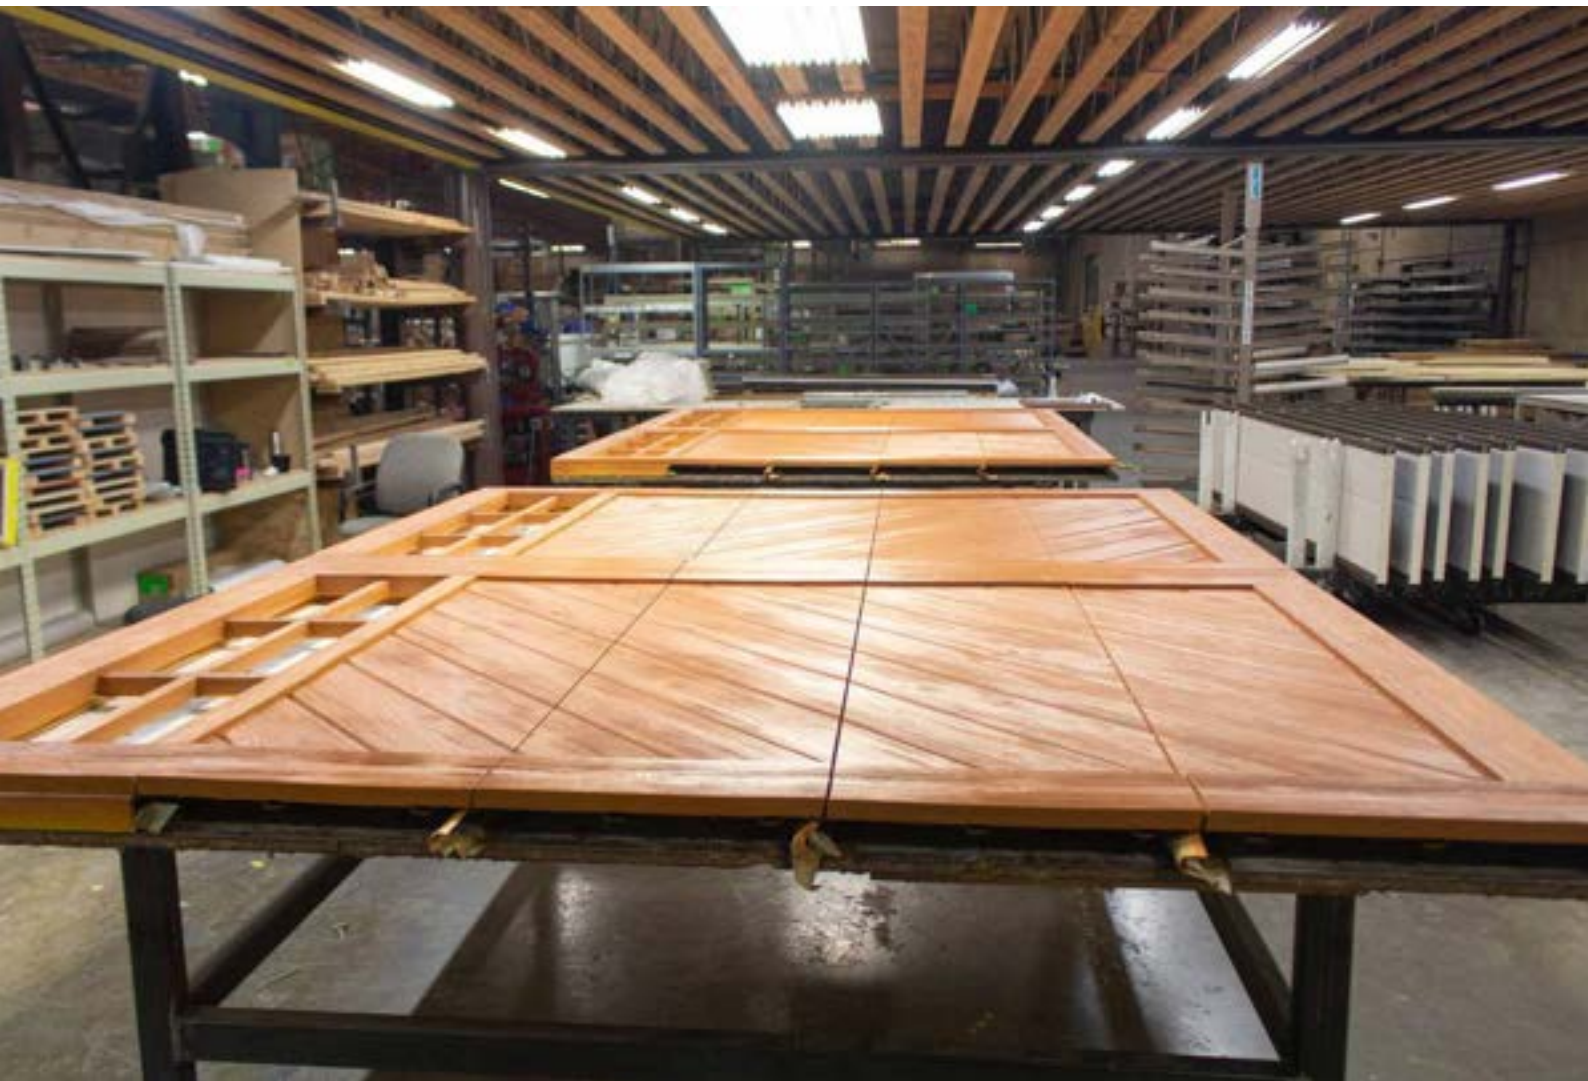

Installation and Project Management

Our team of experienced project managers handle all aspects of the installation process, ensuring that everything is completed on time and within budget. We take care of all the logistics and coordination, so our clients can sit back and relax while we take care of everything.

We make sure that the installation process is as smooth and stress-free as possible, and we are always available to answer any questions or address any concerns that our clients may have.

Delivery

Your doors are carefully packaged and transported for damage-free delivery. And our skilled technicians ensure a seamless installation with a perfect fit.
